### INSTRUCTIONS FOR REGISTRATION - FALL TERM 2011-2012

Web registration for on-campus academic courses, Physical Education activity classes, and Carleton Off Campus programs takes place May 23 through June 1. See "Registration Changes" below for additional registration opportunities. You must discuss your registration with your adviser prior to registering. See the Registration Instructions document at <http://apps.carleton.edu/campus/registrar/webregistration/> for more detailed information.

Argument and Inquiry (A & I) Seminars (courses numbered 100) are held exclusively for the class of 2015.

### REGISTERING LATE

All full time students who will be studying on campus in a succeeding term will be expected to register for that term within the registration period. Those who do not will be contacted shortly after registration to clarify their intent to attend during the following term. Failure to register by the end of the first two weeks of the term will be regarded as withdrawal from the College. Students returning from off-campus status who have not registered may register during the first two weeks of the term or with the permission of the Academic Standing Committee thereafter.

### REGISTRATION CHANGES

After you have registered, you may access your class schedules on the web. IT IS YOUR RESPONSIBILITY TO CAREFULLY CHECK YOUR SCHEDULE AND MAKE ANY NECESSARY CORRECTIONS. Changes can be made via the web from May 23 through 4:00 p.m. June 1. Any changes necessary after this time must be made via a paper process during the add/drop period during fall term. Drop/add cards will be available in the Registrar's Office on the first day of classes.

### TIME SCHEDULE FOR FALL REGISTRATION

Registration times for individual students have been assigned by lottery within classes. You may register anytime after your assigned time through 4:00 p.m. on the last day of classes. See "Registration Changes" above for additional registration opportunities.

### SOPHOMORE PRIORITY

"Sophomore priority" (Class of 2014) noted in the schedule means students are allowed to register for the course in the following order: sophomores, first year students, seniors, juniors. A senior or junior wanting to register for such a course must waitlist in the "WL" section and may register for the course next fall if space is available, however, waitlisted sophomores and first year students will have waitlist priority.

### THE WRITING REQUIREMENT

Classes of 2012, and 2013 must take a writing rich course (WR). You can search for a writing rich course by using the "Enroll" program and search for WR.
