CEDI Leadership Board Meeting Minutes
June 9th, 2020

I. Welcome, introductions of visitors, if present
   ● There were no visitors at this time, but the co-chairs welcomed everyone and reminded members to join the Slack group.

II. Acceptance of 6/5/20 Leadership Board Minutes
   ● The acceptance of the meeting minutes from June 5, 2020 was tabled until the next week’s meeting.

III. Updates
   a. BSA Demands
      ● In terms of training for students, the Leadership Board discussed how this work should focus more on anti-racism training as opposed to diversity training and should align within training students already receive, such as athletics training.
      ● For faculty and staff, the College should work to offer anti-racism training as a standard procedure, rather than a reaction to racist incidents on or off campus. Asuka Sango also raised the idea of connecting anti-racist training to the convocation dialogue groups. Trey Williams suggested continuing this conversation after CEDI has received a more direct and specific charge from Tuesday Group relating to this issue.
   b. Actions research from CEDI, Staff needs
      ● The CEDI Leadership Board tabled these items of discussion in order to spend more time discussing the message that will be sent out by CEDI.

IV. CEDI Statement
   ● The Leadership Board thought about several questions raised by this statement, including the audience, what the statement should focus on, how action items should be communicated, and the perceived role of CEDI on campus at this time.
   ● Because Leadership Board members want to focus on sending a message to the listening campus as soon as possible, this message should focus on conveying solidarity, the role of CEDI as an advisory board that is thinking about how to take and recommend actions, and to state that CEDI is listening and hearing students’ concerns.
   ● Asuka Sango is the point person for this project, and Leadership Board members should review the draft of the statement on Google Docs and reach out to her with questions and concerns.

V. Title IX Answers to CEDI Questions
   ● The CEDI Leadership Board tabled this item of discussion in order to spend more time discussing the message that will be sent out by CEDI.
