

CCST 100.2 Fall 2016. Midterm Evaluation.

Please answer the following questions anonymously so that I can see how our course is going from your perspective, and how I might adjust things if necessary.

How have you felt about the overall design and pace of the course, and what are 1-2 skills you feel you are developing/ improving?

Have our class discussions been stimulating and productive in terms of your learning? Why/ not?

Are there aspects of our course that could be more effective for your learning?

What are 1-2 goals you have for yourself in the 2nd half of our course, to get the most out of our A&I? How do you think you can work towards these goals?

Has my feedback on your writing been effective for you? Could it be more so? If you have met with me in the office, have our meeting(s) been helpful?

If you've met with Kerrin, has working with her been helpful?

Here or on the back I welcome any other comments you may have.
