**NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN
INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION LAW**

If the insurer who issued your life, annuity or health insurance policy becomes impaired or insolvent you are entitled to compensation for your policy from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer.

In addition, residents of Minnesota who purchase life insurance, annuities, or health insurance from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

Minnesota Life & Health Insurance Guaranty Association
4760 White Bear Parkway, Suite 101
White Bear Lake, MN 55110
(651) 407-3149

The maximum amount the guaranty association will pay for all policies issued on one life by the same insurer is limited to \$500,000. Subject to this \$500,000 limit, the Guaranty Association will pay up to \$500,000 in life insurance death benefits, \$130,000 in net cash surrender and net cash withdrawal values for life insurance, \$500,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values, \$250,000 in annuity net cash surrender and net cash withdrawal values, \$410,000 in present values of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be \$500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue Code of 1986, as amended through December 31, 1992, are covered up to \$250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than \$10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed \$10,000,000 the \$10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the guaranty association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the guaranty association's limits, you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The guaranty association assesses insurers licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF LIFE, ANNUITY OR HEALTH INSURANCE POLICIES OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES FINANCIALLY INSOLVENT. THIS NOTICE IN NO WAY IMPLIES THAT THE COMPANY CURRENTLY HAS ANY TYPE OF FINANCIAL PROBLEMS. ALL LIFE, ANNUITY AND HEALTH INSURANCE POLICIES ARE REQUIRED TO PROVIDE THIS NOTICE.

NOTICE

Benefits paid under the Accelerated Benefits provision will reduce the death benefit payable for life insurance.

ELIGIBILITY FOR INSURANCE

Classes of Eligible Persons

A person may be insured only once under the Policy as an Employee, even though he or she may be eligible under more than one class.

Employee

An Employee in one of the Classes of Eligible Employees shown in the Schedule of Benefits is eligible to be insured on the Policy Effective Date or the day after he or she completes the Eligibility Waiting Period, if later. The Eligibility Waiting Period will not apply to an Employee, in Active Service on the Policy Effective Date, who was covered under the Prior Plan and satisfied the Eligibility Waiting Period, if any, of that plan. Credit will be given for any time that was satisfied.

If a person has previously converted his or her insurance under the Policy, he or she will not become eligible until the converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in the Employee's Life Insurance Benefits based on age or a change in class unless those conditions no longer affect the amount of coverage available to the Employee.

Except as noted in the Reinstatement Provision, if an Employee terminates coverage and later wishes to reapply, or if a former Employee is rehired a new Eligibility Waiting Period must be satisfied. An Employee is not required to satisfy a new Eligibility Waiting Period, if insurance ends because he or she is no longer in a Class of Eligible Employees, but continues to be employed by the Employer, and within one year becomes a member of an eligible class.

TL-004710-1

EFFECTIVE DATE OF INSURANCE

An Employee will be insured for an amount not to exceed the Guaranteed Issue Amount on the date he or she becomes eligible, if the Employee is not required to contribute to the cost of this insurance.

If an eligible Employee is not in Active Service on the date insurance would otherwise be effective, it will be effective on the date he or she returns to Active Service.

TL-004712

Takeover Provision

Special Terms Applicable to Previously Insured Employees Not in Active Service

Employees not in Active Service on the Policy Effective Date are not covered under the Policy.

However, the Insurance Company agrees to provide a death benefit equal to the lesser of:

1. the amount due under this Policy (without regard to the Active Service provision), or
2. the amount that would have been due under the Prior Plan had it remained in force.

The benefit amount will be reduced by any amount paid by the Prior Plan, or that would have been paid had this Policy not been issued and had timely filing of the claim been made under the Prior Plan.

These special terms will end on the earliest of the following dates:

1. the date the Employee meets the Active Service requirements;
2. the date insurance terminates for one of the reasons stated in the Termination of Insurance provision;
3. 12 months after the Policy Effective Date; or
4. the last day the Employee would have been covered under the Prior Plan if that plan was still in force.

TL-009020

TERMINATION OF INSURANCE

An Insured's coverage will end on the earliest of the following dates:

1. the date the Employee is eligible for coverage under a plan intended to replace this coverage;
2. the date the Policy is terminated by the Insurance Company;
3. the date the Insured is no longer in an eligible class;
4. the date coinciding with the end of the last period for which premiums are paid;
5. the date an Employee is no longer in Active Service; and
6. for an Employee, the date the Employer cancels participation under the Policy.

TL-004714

CONTINUATION OF INSURANCE

If an Employee is no longer in Active Service, he or she may be eligible to continue insurance. The following provisions explain the continuation options available under the Policy. Please see the Schedule of Benefits to determine the applicability of these benefits on a class level.

Continuation for Temporary Leave of Absence or Family Medical Leave

If an Employee's Active Service ends due to an Employer approved unpaid leave of absence or family medical leave of absence, insurance will continue for up to the Maximum Benefit Period shown in the Schedule of Benefits, if the required premium is paid.

Continuation for Disability for Employees over Age 60

If an Employee becomes Disabled and is age 60 or over, the Life Insurance Benefits shown in the Schedule of Benefits will be continued, provided premiums are paid, until the earlier of the following dates:

1. The date the Employee is no longer Disabled.
2. The date following the Maximum Benefit Period shown in the Schedule of Benefits.
3. The date coinciding with the end of the last period for which premiums are paid.
4. The date the Policy is terminated by the Insurance Company.

Amount of Insurance

If an Employee dies while he or she is Disabled and coverage is continued under this provision, the Insurance Company will pay a Death Benefit equal to the amount in effect on the date the Employee became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while coverage is continued under this provision. The Insurance Company will pay benefits only if due proof of the Employee's continuous Disability is received within one year of the date of the loss.

“Disability”/“Disabled” means because of Injury or Sickness the Employee is unable to perform all the material duties of his or her Regular Occupation; or is receiving disability benefits under the Employer's plan.

“Regular Occupation” means the occupation the Employee routinely performs at the time the Disability begins. The Insurance Company will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Extended Death Benefit with Waiver of Premium

Extended Death Benefit

If an Employee becomes Disabled and is less than age 60, the Life Insurance Benefits shown in the Schedule of Benefits will be extended without premium payment until the earlier of the following dates:

1. The date the Employee is no longer Disabled; or
2. 12 months after the end of Active Service.

Amount of Insurance

If an Employee dies while he or she is Disabled and coverage is extended under this provision, the Insurance Company will pay a Death Benefit equal to the amount in effect on the date the Employee became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. The Insurance Company will pay benefits only if due proof of the Employee's continuous Disability is received within one year of the date of the loss.

"Disability"/"Disabled" means because of Injury or Sickness the Employee is unable to perform the material duties of his or her Regular Occupation; or is receiving disability benefits under the Employer's plan.

"Regular Occupation" means the occupation the Employee routinely performs at the time the Disability begins. The Insurance Company will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Waiver of Premium

If such an Employee submits satisfactory proof that he or she has been continuously Disabled for the Waiver Waiting Period shown in the Schedule of Benefits, coverage will be extended up to the Maximum Benefit Period shown in the Schedule of Benefits.

Such proof must be submitted to the Insurance Company no later than 3 months after the date the Waiver Waiting Period ends. Premiums will be waived from the date the Insurance Company agrees in writing to waive premiums for that Employee.

After premiums have been waived for 12 months, they will be waived for future periods of 12 months, if the Employee remains Disabled and submits satisfactory proof that Disability continues. Satisfactory proof must be submitted to the Insurance Company 3 months before the end of the 12-month period.

Amount of Insurance

If an Employee dies while he or she is Disabled and coverage is continued under this provision, the Insurance Company will pay a Death Benefit equal to the amount in effect on the date the Employee became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. The Insurance Company will pay benefits only if due proof of the Employee's continuous Disability is received within one year of the date of the loss.

Termination of Waiver

Insurance will end for any Employee whose premiums are waived on the earliest of the following dates.

1. The date he or she is no longer Disabled;
2. The date he or she refuses to submit to any physical examination required by the Insurance Company;
3. The date he or she refuses to participate in a Rehabilitation Plan for which the Insurance Company determines him or her to be eligible;

4. The last day of the 12-month period of Disability during which he or she fails to submit satisfactory proof of continued Disability;
5. The date following the end of the Maximum Benefit Period shown in the Schedule of Benefits.

“Disability/Disabled” means because of Injury or Sickness an Employee is unable to perform the material duties of his or her Regular Occupation, or is receiving disability benefits under the Employer's plan, during the initial 9 months of Disability. Thereafter, the Employee must be unable to perform all of the material duties of any occupation which he or she may reasonably become qualified based on education, training or experience, or is subject to the terms of a Rehabilitation Plan approved by the Insurance Company.

“Regular Occupation” means the occupation the Employee routinely performs at the time the Disability begins. The Insurance Company will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Rehabilitation During a Period of Disability

If the Insurance Company determines that a Disabled Employee is a suitable candidate for rehabilitation, the Insurance Company may require the Employee to participate in an assessment and Rehabilitation Plan, not to exceed 18 months, at our expense. The Insurance Company has the sole discretion to approve the Employee's participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan. If an Employee fails to fully cooperate in all required phases of the Rehabilitation Plan and assessment without Good Cause, insurance under the Policy will end.

“Good Cause” means a medical reason preventing participation, in whole or in part, in the Rehabilitation Plan. Satisfactory proof of Good Cause must be provided to the Insurance Company.

“Rehabilitation Plan” means a written plan designed to enable the Employee to return to work. The Rehabilitation Plan will consist of one or more of the following phases:

1. Rehabilitation, under which the Insurance Company may provide, arrange or authorize educational, vocational or physical rehabilitation or other appropriate services;
2. Work, which may include modified work and work on a Part-time basis.

“Part-time” means regularly working less than the number of full time hours set by the Employer as a regular work day for Employees in an Eligible Class of Employees in the Policy.

DESCRIPTION OF BENEFITS

The following provisions explain the benefits available under the Policy. Please see the Schedule of Benefits for the applicability of these benefits on a class level.

LIFE INSURANCE BENEFITS

Death Benefit

If an Insured dies, the Insurance Company will pay the Life Insurance Benefit in force for that Insured on the date of his or her death.

TL-004730

Accelerated Benefits

THIS IS A LIFE INSURANCE POLICY WHICH PAYS ACCELERATED BENEFITS AT THE INSURED'S OPTION UNDER CONDITIONS SPECIFIED IN THE POLICY. THIS IS NOT A LONG-TERM CARE POLICY MEETING THE REQUIREMENTS OF MINNESOTA LAW.

Any benefits payable under this Accelerated Benefits provision will reduce the Death Benefit payable for Life Insurance. Any automatic increases in Life Insurance Benefits will end when benefits are payable under this provision.

Accelerated Benefit for Terminal Illness

The Insurance Company will pay a Terminal Illness Benefit to an Insured who has been determined by the Insurance Company to be Terminally Ill.

The Terminal Illness Benefit is payable only once in an Insured's lifetime.

Determination of Terminal Illness

For the purpose of determining the existence of a Terminal Illness, the Insurance Company will require the Insured submit the following proof.

1. A written diagnosis and prognosis by two Physicians licensed to practice in the United States.
2. Supportive evidence satisfactory to the Insurance Company, including but not limited to radiological, histological or laboratory reports documenting the Terminal Illness.

The Insurance Company may require, at its expense, an examination of the Insured and a review of the documented evidence by a Physician of its choice.

"Terminal Illness" means a person has a prognosis of 12 months or less to live, as diagnosed by a Physician.

TL-004748 (MN)

Conversion Privilege for Life Insurance

Each Insured may convert all or any portion of his or her Life Insurance that would end under the Policy due to:

1. termination of employment;
2. termination of membership in an eligible class under the Policy;
3. termination of the Policy.

The Insured may apply for any type of life insurance the Insurance Company offers to persons of the same age in the amount applied for, except the Insured may not:

1. choose term insurance;
2. apply for an amount of insurance greater than the coverage amount terminating under the Policy (also, the conversion policy will not provide accident, disability or other benefits); or
3. apply for more than \$10,000 of insurance if the Policy is terminated or amended to terminate the insurance for any class of Insureds, or the Employer cancels participation under the Policy. Conversion in these cases is only permitted if the Insured has been covered by the Policy or, any group life insurance policy issued to the Employer which the Policy replaced, for at least 3 years.

If the Insured becomes eligible for coverage under any group life policy within 31 days of termination of coverage under this Policy, the Insured may not convert an amount of insurance greater than the amount of coverage terminating under the Policy less the amount for which he or she may be covered under the other policy.

To apply for conversion insurance, the Insured must, within 31 days after coverage under the Policy ends:

1. submit an application to the Insurance Company; and
2. pay the required premium.

Evidence of insurability is not required.

Premium for the conversion insurance will be based on the age and class of risk of the Insured and the type and amount of coverage issued.

If the Insured has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.

Conversion insurance will become effective on the 31st day after the date coverage under the Policy ends provided the application is received by the Insurance Company and the required premium has been paid.

If the Insured dies during the 31-day conversion period, the Life Insurance benefits will be paid under the Policy regardless of whether he or she applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any further benefits for that type and amount of insurance from this Policy.

Extension of Conversion Period

If an Insured is eligible for conversion insurance and is not notified of this right at least 15 days prior to the end of the 31-day conversion period, the conversion period will be extended. The Insured will have 15 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to the Insured by the Employer or mailed to the Insured's last known address as reported by the Employer.

If the Insured dies during the extended conversion period, but more than 31 days after his or her coverage under the Policy terminates, Life Insurance benefits:

1. will not be paid under the Policy; and
2. will be payable under the conversion insurance; provided:
 - a. the Insured's application for conversion insurance has been received by the Insurance Company; and
 - b. the required premium has been paid.

Prior Conversion Limitation

If an Insured is covered under a life insurance conversion policy previously issued by the Insurance Company, he or she will not be eligible for this Conversion Privilege unless the prior coverage has ended.

TL-009740

CLAIM PROVISIONS

Notice of Claim

Written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's Name, the Policy Number and the claimant's name and address.

Written notice of a diagnosis of a Terminal Illness on which claim is based must be given to us within 60 days after the diagnosis. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice was given as soon as reasonably possible.

Claim Forms

When the Insurance Company receives notice of claim, the Insurance Company will send claim forms for filing proof of loss. If claim forms are not sent within 15 days after notice is received by the Insurance Company, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, of the nature and extent of the loss.

Claimant Cooperation Provision

Failure of a claimant to cooperate with the Insurance Company in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with the Insurance Company in the review of claims and applications for coverage. Any information the Insurance Company provides in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

Written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given not more than one year after that 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is provided outside of these time limits, the claim will be denied. These time limits will not apply while the person making the claim lacks legal capacity.

In case of claim for any other loss, proof must be furnished within 90 days after the date of such loss.

If it is not reasonably possible to submit proof of loss within these time periods, the Insurance Company will not deny or reduce any claim if proof is furnished as soon as reasonably possible. Proof must, in any case, be furnished not more than a year later, except for lack of legal capacity.

Time of Payment

Benefits due under the Policy for a loss, other than a loss for which the Policy provides installment payments, will be paid immediately upon receipt of due written proof of such loss.

Subject to the receipt of satisfactory written proof of loss, all accrued benefits for loss for which the Policy provides installments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof, unless otherwise stated in the Description of Benefits.

Manner of Payment of Claims

The Policyholder authorizes that any benefit payment due as a lump sum of \$5,000 or more shall be credited to a draft account with the Insurance Company, in the name of the beneficiary. The beneficiary may withdraw the entire proceeds at any time by issuing one or more drafts, or may withdraw lesser amounts, subject to a minimum account balance set by the Insurance Company from time to time. Interest shall be credited to such account at rates as determined from time to time by the Insurance Company.

To Whom Payable

Death Benefits will be paid to the Insured's named beneficiary, if any, on file at the time of payment. If there is no named beneficiary or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives: spouse; child or children; mother or father; brothers or sisters; or to the executors or administrators of the Insured's estate. The Insurance Company may reduce the amount payable by any indebtedness due.

In lieu of a lump sum payment, alternative methods for payment of group life insurance proceeds are available at the beneficiary's request.

All benefits payable under the Accelerated Benefits section are payable to the Insured, if living. If the Insured dies prior to the payment of an eligible claim for an Accelerated Benefit, benefits will be paid in accordance with the provisions applicable to the payment of Life Insurance proceeds, unless the Insured has directed us otherwise in writing. However, any payment made by us prior to notice of the Insured's death shall discharge us of any benefit that was paid.

All other benefits, unless otherwise stated in the Policy, will be payable to the Insured or the certificate owner if other than the Insured.

Any other accrued benefits which are unpaid at the Insured's death may, at the Insurance Company's option, be paid either to the Insured's beneficiary or to the executor or administrator of the Insured's estate.

If the Insurance Company pays benefits to the executor or administrator of the Insured's estate or to a person who is incapable of giving a valid release, the Insurance Company may pay up to \$1,000 to a relative by blood or marriage whom it believes is equitably entitled. This good faith payment satisfies the Insurance Company's legal duty to the extent of that payment.

Change of Beneficiary

The Insured may change the beneficiary at any time by giving written notice to the Employer or the Insurance Company. The beneficiary's consent is not required for this or any other change which the Insured may make unless the designation of beneficiary is irrevocable.

No change in beneficiary will take effect until the form is received by the Employer or the Insurance Company. When this form is received, it will take effect as of the date of the form. If the Insured dies before the form is received, the Insurance Company will not be liable for any payment that was made before receipt of the form.

Physical Examination and Autopsy

The Insurance Company, at its expense, will have the right to examine any person for whom a claim is pending as often as it may reasonably require. The Insurance Company may, at its expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which the Employee lives when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

The Insured will have the right to choose any Physician who is practicing legally. The Insurance Company will in no way disturb the Physician/patient relationship.

TL-004724.24

ADMINISTRATIVE PROVISIONS

Premiums

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If the Insured's coverage amount is reduced due to acceleration of his or her Death Benefit, his or her premium will be based on the amount of coverage he or she has in force on the day before the reduction took place. If the Insured's coverage amount is reduced due to his or her attained age, premium will be based on the amount of coverage in force on the day after the reduction took place.

Changes in Premium Rates

The premium rates may be changed by the Insurance Company from time to time with at least 31 days advance written notice. No change in rates will be made until 24 months after the Re-Issue Date. An increase in rates will not be made more often than once in a 12 month period. However, the Insurance Company reserves the right to change the rates even during a period for which the rate is guaranteed if any of the following events take place.

1. The terms of the Policy change.
2. A division, subsidiary, affiliated company or eligible class is added or deleted from the Policy.
3. There is a change in the factors bearing on the risk assumed.
4. Any federal or state law or regulation is amended to the extent it affects the Insurance Company's benefit obligation.
5. The Insurance Company determines that the Employer has failed to promptly furnish any necessary information requested by the Insurance Company, or has failed to perform any other obligations in relation to the Policy.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Reporting Requirements

The Employer must, upon request, give the Insurance Company any information required to determine who is insured, the amount of insurance in force and any other information needed to administer the plan of insurance.

Payment of Premium

The first premium is due on the Policy Effective Date. After that, premiums will be due monthly unless the Employer and the Insurance Company agree on some other method of premium payment.

If any premium is not paid when due, the plan will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Notice of Cancellation

The Employer or the Insurance Company may cancel the Policy as of any Premium Due Date by giving 31 days advance written notice. If a premium is not paid when due, the Policy will automatically be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period

A Policy Grace Period of 31 days will be granted for the payment of the required premiums under this Policy. This Policy will be in force during the Policy Grace Period. The Employer is liable to the Insurance Company for any unpaid premium for the time this Policy was in force.

Draft Accounts

GENERAL PROVISIONS

Entire Contract

The entire contract will be made up of the Policy, the application of the Employer, a copy of which is attached to the Policy, and the applications, if any, of the Insureds.

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud or eligibility for coverage.

Misstatement of Age

If an Insured's age has been misstated, the Insurance Company will adjust all benefits to the amounts that would have been purchased for the correct age.

Policy Changes

No change in the Policy will be valid until approved by an executive officer of the Insurance Company. This approval must be endorsed on, or attached to, the Policy. No agent may change the Policy or waive any of its provisions.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance Law.

Certificates

A certificate of insurance will be delivered to the Employer for delivery to Insureds. Each certificate will list the benefits, conditions and limits of the Policy. It will state to whom benefits will be paid.

Assignment of Benefits

The Insurance Company will not be affected by the assignment of an Insured's certificate until the original assignment or a certified copy of the assignment is filed with the Insurance Company. The Insurance Company will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Agency

The Employer and Plan Administrator are agents of the Employee for transactions relating to insurance under the Policy. The Insurance Company is not liable for any of their acts or omissions.

Ownership of Records

All records maintained by the Insurance Company are, and shall remain, the property of the Insurance Company.

AMENDATORY RIDER

CONTINUATION OF GROUP LIFE INSURANCE (Applicable To Policies Delivered In Minnesota)

Policyholder: Carleton College

Policy No. FLX-967742

Effective Date: January 1, 2017

This Rider amends the Policy identified above and takes effect on the effective date shown above. This Rider shall remain in force while the Policy is in effect and shall terminate upon termination of the Policy.

In consideration of the payment of premiums by the Policyholder, the policy is amended as follows:

Continuation Of Life Insurance – This provision shall apply with respect to Employees whose coverage under the Policy is terminated due to: (i) voluntary or involuntary termination or layoff from employment, for any reason other than gross misconduct; or (ii) reduction in hours such that the Employee is not eligible for insurance under the Policy.

For those Employees subject to this provision, life insurance coverage may be continued under the Policy for 18 months, or until the date that the Employee becomes covered under another group policy, whichever is shorter. Coverage provided under this provision will also end if the Policy is terminated.

The premium required for continued coverage shall be the premium under the Policy applicable to the Employee's class and amount of coverage. The Employer may charge an additional amount, not to exceed 2% of such premium, for collecting premium contributions from former Employees. The Employer shall notify the Employee of the right to continue and the required premium contribution. The Employee may elect to continue within 60 days of termination by paying the required premium, and may continue coverage in force by paying the required premium, without demand, on a monthly basis, as of the first of each month, to the Employer. Coverage will end at the end of any month in which the Employee has failed to pay premium to the Employer.

If continued coverage remains in force at the end of the 18 month period, or on termination of the Policy, the Employee may choose any conversion or portability right then available under the Policy.

In the event the Employee dies during the 60 day right to elect period without having become insured under another group policy, or dies while continued coverage is in force, the death benefit will be paid to the beneficiary chosen by the Employee under the terms of the Policy.

Continued coverage will include eligible dependents who were covered on the Employee's date of termination, provided the dependent remains eligible as a dependent of the Employee. In the event that the dependent ceases to be eligible, the dependent may choose any conversion or portability right then available under the Policy.

Coverage of Existing Former Employees – This provision is only applicable if the policy of group life insurance, insuring Employees of the Employer, which this Policy replaced ("Prior Policy"), contains a waiver of premium benefit meeting the requirements of Minnesota Statutes 61A.091, Subd. 2.

The Company will pay a death benefit with respect to those former Employees who were insured under the Prior Policy, under a continuation of life insurance benefit meeting the requirements of Minnesota Statutes 61A.092, and excluding any portability benefit for which former Employees made premium payments directly to the insurance company.

The amount of the death benefit will be the lesser of (1) the amount of insurance being continued under the Prior Policy as of its date of termination, less any amount payable under the Prior Policy following its termination (including any amount that would have been payable, if timely claim had been made), and (2) the amount of insurance that would have been provided to the former Employee under the Policy, if the former Employee were in Active Service under the Policy as of the Policy's Effective Date.

This death benefit will be provided until the earliest of (1) 18 months after the date of termination or layoff of the former Employee; (2) the date that the former Employee becomes eligible under the terms of another group policy; (3) the effective date of any conversion policy issued or available under the Prior Policy; (4) the end of the month for which the Employee fails to make the required premium contribution to the Employer; or (5) the date of termination of the Policy.

If this death benefit ends as a result of (1) above, the former Employee shall have the right to convert the amount of the death benefit, under the terms of the Policy that apply to conversion on termination of employment.

Except as provided above, this Rider does not amend the terms of the Policy.

Policyholder: Carleton College
Policy No. FLX-967742

This amendment is attached to and made part of the Policy/Certificate specified above. Its provisions are intended to conform this Policy/Certificate to the laws of the state in which the insured resides.

The Policy delivered under the Group Policy are amended as follows:

APPLICABLE TO CALIFORNIA RESIDENTS:

1. Conversion Privilege for Life Insurance

Insured Employees and Insured Spouses may convert to an individual policy of life insurance for an amount not greater than the Conversion Amount shown below when the Policy ends, without regard to any requirement that the person be insured under the policy for a specified period of time, if all of the following apply.

- a. The Insured became Totally Disabled while covered for the Life Benefit of the Policy. Totally Disabled means the person is unable to perform all the material duties of any occupation for which he or she may reasonably be qualified based on training, education and experience.
- b. The Insured remained Totally Disabled until the Policy ended while covered for the Life Benefit of this Policy.
- c. The Policy does not provide a Waiver of Premium, Extended Death Benefit Provision or monthly payments to Totally Disabled Insureds for the Life Benefit.

Conversion Amount - Insured's life insurance amount under the Policy on the date the Policy ends minus the amount for which the Insured is insured under a group policy that provides life coverage to employees of the Insured Employee's Employer covered under this Policy. The dollar limit that applies to the amount for conversion at Policy termination does not apply.

The requirement that the Insured be covered under the Policy for the stated number of years in order to convert life insurance does not apply.

APPLICABLE TO FLORIDA RESIDENTS:

The benefits of the policy providing your coverage are governed primarily by the law of a state other than Florida.

APPLICABLE TO WASHINGTON RESIDENTS:

1. The following *Continuation of Insurance* provision is added to the Policy:

Continuation of Life Coverage During Labor Disputes

If an Employee's Active Service ends because of a Labor Dispute and his or her premium for Life Insurance Benefits under the Policy is paid either by the Employer, in whole or in part, or by the Employee through payroll deductions, then the Employee may continue his or her Life Insurance Benefits. The Employer will send written notice of the right to continue coverage to each insured Employee at his or her most recent address as on file with the Employer.

To continue coverage, the Employee must pay premiums directly to the Employer, who will remit the premiums to the Insurance Company. Premiums must be paid by the date they are due, subject to the 31 day grace period. Policy coverages and premiums will stay the same during a Labor Dispute; however, the Insurance Company may make normal changes in premium rates when the Policy is renewed, under the terms set forth in the Policy.

Coverage continued in this manner will end on the earliest of the following dates.

- a. The date the Labor Dispute has ended.
- b. The date coverage has been continued for 6 months.

If the Labor Dispute continues beyond 6 months, the Employee may apply for an individual insurance policy, as set forth in detail under "Conversion Privilege for Life Insurance."

"Labor Dispute," as used here, means a strike, lockout, or other labor dispute between the Employer and its Employees, during which time the Employee is not paid by the Employer.

2. To the extent the policy includes *Accelerated Benefits*, the following resolution of disputes requirements are added to the Policy.

- For Terminal Illness – *Determination of Terminal Illness*

In the event the Physician representing the Insurance Company disputes the existence of a Terminal Illness, and the dispute cannot be resolved, the Insured has the right to mediation and binding arbitration in accordance with Washington Administrative Code 284-23-730.

3. The *Incontestability Provision* is replaced as follows:

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested.

4. If the term “*Accident*” is defined in the Policy, it is replaced by the following:

Accident

An Accident is a sudden, unforeseeable event that causes bodily Injury to an Insured while coverage is in force under the Policy.
