**Carleton College Academic Credits**

Transcripts for Carleton Global Engagement programs are issued using Carleton credit units. According to [Carleton College Academic Regulations and Procedures](#), "the standard Carleton course is six credits; for purposes of transfer evaluation, six Carleton credits are comparable to three and one-third (3 1/3) semester credits or five quarter credits."

Students participating in a Carleton Global Engagement program are registered for courses totaling 32 Carleton College credits. Carleton College recommends the following conversion between Carleton credits and semester credits. Students should contact the study abroad office or registrar's office at their home institution for institution-specific transfer credit policies
