Greetings, Team '77!

We have a great group planning next summer's 45th Reunion and are reasonably optimistic we will be able to gather in person. So keep your fingers crossed and vaccine status up-to-date. We have classmates with amazing professional accomplishments as well as classmates who have offered tremendous support to Carleton over the decades. We are looking for your HELP and ADVICE to nominate a classmate for an Alumni Association award:

- either the Distinguished Achievement Award (a record of outstanding professional accomplishments, non-professional pursuits, and/or volunteer service),

- or the Exceptional Service Award (for exceptional service that enhances the well-being of the College).

Please reply to our staff liaison, Chris Brunelle, at cbrunelle@carleton.edu with the name of a deserving classmate (including self-nominations) and a sentence or two of explanation, and we will take it from there.

From the nominees that we (and the other Reunion classes) submit for these highly competitive awards, the Alumni Board will determine the most meritorious. The awards will then be presented by Carleton during our 2022 Reunion. The nomination submission deadline is November 15, so please send your suggestions along soon.

If you do not mind, please keep your suggestions confidential.

Here’s hoping everyone in your world is healthy and employed if they want to be!

Sue Scott

PS – here’s a link to past awardees.
