Dear Class of 1984 alum:

The days go by quickly, don’t they? This is just a quick reminder to mark off June 20 to 23 next year for our 35th reunion.

If you’ve never been back to Carleton since you left oh so many years ago, or if you’ve been coming back every 5 years, this is the one not to miss.

Our goals is 84% of the class making their way to Northfield.

You may ask yourself… why should I come back?

The reasons are myriad – curiosity, nostalgia, reflection, plus fun, music, and the smell of Malt-o-Meal in the air. For most, the best part of a Carleton reunion is just hanging out with interesting people you never got to know 35 years ago or haven’t seen since our first convocation in 1980.

Whatever your reasons (or excuses), we want to see you there - all of you!

Registration starts in early March. Our class will stay in AIR CONDITIONED campus housing, so RSVP early to reserve your cool spot!

In the meantime:

- Check out the Zoobook and Carletonian from back in the day to pull up some memories of names and faces.

- Like or Follow our Facebook page or join our Facebook Group to see photos from past reunions and connect to classmates today.

- Hit up the Carleton alumni site for our class if you’re not on Facebook, we’ll be posting info there too.

- Tell us about yourself by completing your profile on the Class online biobook.

If you want to join in the reunion planning, create a service project, or figure out another fun way to reconnect, please REPLY TO THIS EMAIL to let us know.
