COVID-19 continues to present challenges, but we're making progress!

We're asking family members, friends, and faculty, and friends of the college to help.

May 14, 12:30pm Central: Social Entrepreneurship - The Food Insecurity and Low-Income Stigma Among College Students

Sumekh offers innovative solutions to address food insecurity and low-income stigma among college students.

Honors Convocation is an annual celebration each spring to recognize those students who have achieved distinction through academic or personal achievement. While we are unable to hold the convocation in person this year, we nonetheless want to acknowledge these students.

Please consider hosting an internship opportunity for a Carleton student and asking others in your network to do the same. Learn more about how you can help.

For the most current campus testing and vaccination data, as well as links to the Minnesota Department of Health and Rice County COVID-19 case data, please visit Carleton's Dashboard.

Dean Livingston also wrote last week to share updated plans for Commencement, allowing two guests per graduate to attend. The event also will be live-streamed from Carleton's website so family and friends can share in the experience wherever they are in the world. Guests will need to register for the ceremony in advance. Seniors who are currently off-campus who wish to return to campus must complete the Senior Week/Commencement Housing Form. More details on Commencement can be found here, including the framework for planning.

Updates on COVID-19 and Commencement can be found here.

Recent testing results have shown that 74% of the campus community has reported that they have received at least one dose of the vaccine, and 59% report that they are fully vaccinated. If you or someone you know has received their COVID-19 vaccine, they should quickly report it to the Vaccine Documentation Form. For students who received the first dose of the COVID-19 vaccine, they should complete the Assistance Request Form to receive an email every weekday with information about vaccine locations in the area for their specific vaccine type. You can find all of Dean Livingston and President Poskanzer's communications to the full campus on this article in the Washington Post.
