Update on COVID-19

This spring, Carleton is seeing encouraging COVID-19 test results for the full campus community. However, it is important to note that the virus is still prevalent, and we are encouraged to continue following the guidance of the Minnesota Department of Health and Rice County Health Department.

Carleton Knights Highlights

Three Knights were recently crowned NCAA Division III National Champions: Leo Vithoontien in the 1,500-Meter Run and Steeplechase, Matt Wilkinson '21 in the 5,000-Meter Run, and Lucas Mueller '21 from the Men's and Women's Cross Country teams.

Carleton Career Center: End of Term Wrap-Up

Do not students are moving out of the residence halls this week. As our students are moving out of Carleton’s residence halls, we are happy to meet them at the bottom floor of the hall and wish them well. As your student moves out of Carleton’s residence halls for the first time or the last time, we hope they have found healthy ways to pivot this academic year without getting stuck in place or having to start from the beginning. (And, even if they haven’t, we are happy to meet them at the bottom floor of the hall and wish them well.)

Carleton and St. Olaf Team Up to Support Student Entrepreneurs

This summer, the winners of Carleton and St. Olaf’s entrepreneurship competitions will be given the opportunity to work with the Northfield Enterprise Center and the Northfield Downtown Development Corporation to develop their business ideas.

Congratulations to Carls on the end of the term!

Go Knights!
