## Returning to Carleton: Our plan for Academic Year 2021-22

In June, the COVID-19 Core Team shared Carleton's [plan for the 2021-22 academic year](#), as well as confirmation of the COVID-19 [vaccine requirement](#) for all students, and how to submit proof of vaccination by July 31. You can find additional information in our [Frequently Asked Questions](#).

## Summer communication from the Dean of Students Office

Over the summer, the Dean of Students Office will email your student periodically to share news relevant to their first year at Carleton. Students should receive emails every other week between July 5 and September 6. [Let us know](#) if you'd like to receive courtesy copies of these messages.

## Reminder: Carleton Summer Send-Off Events coming up!

We're excited to welcome your student to the Class of 2025, and want you to feel part of the community! Throughout the month of August, we will hold in-person and virtual events all over the globe that students and their families are welcome to attend. Each event will be co-hosted by alumni, current students, and current parents, and will give you a chance to connect with other 2025 students and families, as well as meet recent alumni and current students who can give you a sense of what campus life is like.

## Interested in volunteering?

Carleton parents and guardians can be wonderful ambassadors and advocates for the college, helping us to secure internships and externships for students, hosting events across the country, and serving as resources to parents of prospective students. If you're interested in volunteering, let us know by filling out the survey [here](#). To reach the survey, look up your record and then scroll down to the section labeled "Volunteer Opportunities."

## Parent/Family Gateway

If you haven't yet, be sure to check out the [Parent/Family Gateway](#)! The Gateway has a wealth of information, and is a good starting point if you ever have questions about Carleton. In addition to contact information for many of the offices on campus you may interact with, we archive all parent [newsletters](#) and [webinars](#) here.
