Engineering - Chemical	2	0.6%

Most Common Graduate and Professional Education

Carleton Graduates from Class of 1990 to present

Undergraduate Major: Chemistry

Source: Institutional Research and Assessment,
with data as reported in the alumni data warehouse.

Notes: Tables show only the most common known education enrollments. Since graduates often enroll in multiple institutions or degree programs, counts here reflect each reported enrollment, not a unique count of alumni. Study may or may not be completed.

Graduate or Professional Institutions

Institution	N	%
