November 2021

Dear Classmate,

Plans are proceeding for a terrific 55th Reunion for the Class of 1967! We’ve missed you and hope that you will come to campus June 16-19, 2022 so we can reconnect and reminisce.

Here are a few details that your 1967 Reunion Committee is excited to share:

- Our class will be housed in Nourse, which is a convenient location with a large lounge and deck. Nourse is also air conditioned and has an elevator.
- Alumni College lectures that are scheduled so far include topics such as sustainability, diversity, and even Motown (that's our era!), among others.
- Our very own Marc Reigel will perform on Thursday night with the Night Crawlers for the classes of 1967 and 1972.

In addition you’ll want to participate in the many other panels, exhibits, tours (new science building, for one), department receptions, book signings, musical performances, and of course the Parade of Classes and Convocation.

On behalf of the whole committee, we hope to see you in June of 2022 for lots of fun. Registration will open in early March. In the meantime, mark your calendars and book your travel for June 16-19.

Your Reunion Co Chairs,
Walter Dean
Judy Gaskell
Genie Sue Weppner
